

## MBS S-1 BANKNOTE STRAPPING MACHINE

### FUNCTIONALITY:

MBS S-1 is equipment for tying a bundle of money, boxes, etc. The equipment is created according to time-tested and reliable technology, which makes it heavy-duty, reliable and ensures trouble-free operation. The machine is completely made of metal, compact and easy to use. When designing equipment, proven and reliable components from leading world manufacturers are used. The machine uses PE tape, which has good adhesion and no smell. High speed allows up to 20 wraps per minute.

### ADVANTAGES:

COMPACT

STRONG CONSTRUCTION

TROUBLE-FREE OPERATION

HEAVY DUTY

EASY TO WORK

WORK WITH HIGH  
EFFICIENCY AND MINIMAL  
ENERGY CONSUMPTION

### TECHICAL SPECIFICATIONS:

CIRCLE WIDTH	7 - 9 MM (OPTIONAL 11 MM)
STRAPPING LENGTH SETTING	10 STAGE OF LENGTH SETTING
STRAPPING SPEED	20/MIN
TENSION PERFORMANCE	0.6 - 10 KG
VOLTAGE	220 V AC %20 50/60HZ
POWER SUPPLY	85 WATTS
STANDBY POWER CONSUMPTION	7 WATTS
DIMENSIONS	515MM X 325MM X 1030 MM (WDH)
ROLL LENGTH	1200 M (OPTIONAL 400 M)
WEIGHT	40 KG

## MBS S-2 BANKNOTE STRAPPING MACHINE

### FUNCTIONALITY:

MBS S-2 is equipment for tying a bundle of money, boxes, etc. The equipment is created according to time-tested and reliable technology, which makes it heavy-duty, reliable and ensures trouble-free operation. The machine is completely made of metal, compact and easy to use. When designing equipment, proven and reliable components from leading world manufacturers are used. The machine uses PE tape, which has good adhesion and no smell. High speed allows up to 20 wraps per minute.

### ADVANTAGES:

COMPACT

STRONG CONSTRUCTION

TROUBLE-FREE OPERATION

HEAVY DUTY

EASY TO WORK

WORK WITH HIGH  
EFFICIENCY AND MINIMAL  
ENERGY CONSUMPTION

### TECHICAL SPECIFICATIONS:

CIRCLE WIDTH	7 - 9 MM (OPTIONAL 11 MM)
STRAPPING LENGTH SETTING	10 STAGE OF LENQTH SETTING
STRAPPING SPEED	20/MIN
TENSION PERFORMANCE	0.6 - 10 KG
VOLTAGE	220 V AC %20 50/60HZ
POWER SUPPLY	85 WATTS
STANDBY POWER CONSUMPTION	7 WATTS
DIMENSIONS	705MM X 325MM X 275 MM (WDH)
ROLL LENQTH	1200 M (OPTIONAL400 M)
WEIGHT	22 KG
